On behalf of the Aleppo Township Volunteer Fire Company, we would like to thank you for your continued support of our Volunteers and operations. Your generous donations have afforded us the ability to payoff our new fire station. Some of your donations have also been used to maintain vehicles and equipment used to help secure your safety.

Our next and most pressing goal is the purchase of new fire vehicles. Two of our vehicles, the 1996 Engine and the 1999 Aerial, are in line for replacement as soon as possible. The cost of replacing these vehicles is quite high --- the Engine could cost up to \$450,000 and the Aerial is expected to cost in excess of \$700,000.

The Aleppo Township VFC protects 12.5 square miles and over 1,200 residential and commercial structures in Aleppo Township and Sewickley Heights Borough. We also provide mutual aid to all of our surrounding communities.

We need your help - our dedicated Volunteers give of their time, efforts and dedication, but the costs of running a Volunteer Fire Company continue to increase every year. We must meet Federal, State, and insurance requirements on all of our vehicles, gear, and equipment.

Your donations and support help us to provide the best possible fire protection for you and your family. Interested in joining the Aleppo Township VFC? Call us at 412-741-FIRE (3473).

Should you have any questions regarding our donation program, please contact Treasurer Tom O'Neill at 412-749-4700.
