

Aleppo Township Celebrates PA Local Government Week April 20-24, 2026

Pennsylvania Local Government Week is April 20-24, and Aleppo Township is proud to join communities throughout PA in recognizing the critical role that local government plays in the lives of our residents. Local Government Week offers a chance for our residents to learn more about the services the Township provides.

Aleppo Township, along with more than 1,400 other municipalities, serves as the “boots on the ground” helping the community stay safe and persist through whatever challenges come their way. The Township works to support the daily lives of residents, providing well-maintained roads, efficient trash collection, effective public safety services, and reliable water and sewer systems. Township staff and officials are committed to solving problems with a practical, common-sense approach to local government.

Established to be a direct reflection and representation of the people who live here, the Township is a place where residents have a voice in what happens. Residents are invited to attend the Board of Commissioner Meetings on the second and third Monday of every month at 7:00 p.m. at the Township Municipal Building. If residents cannot attend a meeting, we have a system of streaming and recording the meetings on YouTube, so residents can watch the meetings live or on a later date. Residents can also choose to provide their email address and receive the meeting “Digest,” which breaks down what happened during the meeting, point-by-point, along with a link to jump to a particular portion of the meeting video so residents can watch topics that are important to them.

Aleppo Township is proud to organize community service projects such as the Earth Day Roadside Cleanup Event. This gives residents the opportunity to volunteer to pick up trash along several roadways in the Township. This year’s event will be held on Saturday, April 25, 2026, at 9:00 a.m. For more information go to www.aleppotownship.com/latest-news.

As we celebrate Local Government Week, we encourage residents to stop in the Township Municipal Building on 100 North Drive, Sewickley 15143, and meet the staff, ask questions, or get information. You can also contact us by telephone at 412-741-6555 or send an email to info@aleppotownship.com.
