On behalf of the Aleppo Twp. Vol. Fire Company, we would like to thank you for your continued support of our volunteers and operations. Your generous donations have afforded us the ability to update some of our protective equipment. Most of your donations have been used to maintain vehicles and equipment used to help secure your safety.

We have, over the past year, purchased a new Pierce Enforcer Pumper (Pictured above), at the cost of \$780,000.00. We paid 1/3 of that and financed the remainder. We have purchased a new Squad truck costing around \$250,000.00. These vehicles are replacing our current vehicles that over 25 years old. The replacement of vehicles is needed because of fire fighting techniques, materials and the continued cost of maintenance. Our next replacement needed is our Aerial which will be very expensive.

Our new trucks will be on display at our Open House on May 18, 2024, from 11:00 AM to 3:00 PM. Please come and join our Celebration and participate in our Open House. Meet the members, look at the vehicles and the equipment and talk to us about what we do to serve you.

The Aleppo Twp. VFC protects 12.5 square miles and over 1,200 structures, which include Masonic Village and commercial structures in Aleppo Twp. and Sewickley Heights Borough. We're proud to be protecting over 2675 residents. We also provide mutual aid to all of our surrounding communities.

We need YOUR help (We only hear from a little over 33% of You on a yearly basis). Our dedicated volunteers (31 of US) give of their time, efforts and dedication, but the cost of running a Volunteer Fire Company continues to increase every year. We MUST meet ALL Federal, State, and Insurance requirements on all the members, vehicles, gear, and equipment, and We do.

Your donations and support help us provide the best possible fire protection for you, your family and community. If you are interested in joining the Aleppo Twp. Vol. Fire Co., call us at 412-741-FIRE (3473). We need volunteers.

THANK YOU for Your continued support.

Sincerely,

The Aleppo Township Volunteer Fire Company

LOOKING FOR SOMETHING TO DO IN YOUR FREE TIME?

Last year the men and women Volunteers of the Aleppo Township VFC answered 207 calls, equating to more than 1 call every other day.

What does a Call require from a Volunteer?

- Leaving your home, family or place of work immediately
- A minimum of 1 to 2 hours of your time with no maximum time known
- Being outside in the elements of weather - heat, cold, wind, etc.
- Putting forth physical and emotional efforts

All of these requirements are given by each member who answers a Call with no compensation to the Company or the Volunteer.
