2022 Aleppo Township Solid Waste & Recycling Collection Guide

Dear Aleppo Township Resident,

Waste Management is excited to continue trash and recycling services in 2022. We will continue to provide you with weekly trash service, along with every other week single-stream recycling collection services. Recycling benefits your community as it not only conserves natural resources, but it also helps reduce the amount of materials sent to the landfill. Plus, with single-stream recycling, all your recyclables go into one container – remember, no plastic bags. We look forward to helping your community be as clean – and green – as possible throughout 2022 and beyond.

Collection Times:

Your collection day will be **Tuesday** in 2022. All items must be placed at the curb **no later than 6 a.m.** on the day of collection. After collection, any carts used for trash or recycling should be removed no later than the evening of your collection day.

We are excited to announce the acceptance of plastic tubs in your curbside recycling program. Acceptable plastic tubs have a snap on lid and hold food such as yogurt, cottage cheese, cream cheese, and butter. Plastic tub lids and food must be removed before the container can be recycled.

Waste Management is asking your community to help combat recycling contamination. For programs to be successful, all participants must make an effort to practice good recycling habits

- No plastic bags of any kind will be accepted. Please place material loose in your recycling bin or cart.
- Make sure you are only recycling plastic bottles, jugs, jars and tubs. Any other plastic shape must go in the trash.
- Glass is no longer accepted for curbside recycling – talk to your municipality about local drop off programs.
