2019 Collection Schedule

Your trash and recycling collection day will not change in 2019. Recycling collection will occur every other week throughout the 2019 calendar year.

### 2019 Observed Holidays

Waste Management observes the following holidays. When your collection day falls on or after one of these holidays, your service will be delayed one day during that week only:

- New Year’s Day
- Memorial Day
- Fourth of July
- Labor Day
- Thanksgiving Day
- Christmas Day

Dear Aleppo Township Resident:

Waste Management is excited to continue trash and recycling services in your community in 2019. We will continue to provide weekly trash service along with every other week automated single-stream recycling collection services. Recycling benefits your community as it not only conserves natural resources, but it also helps reduce the amount of materials sent to the landfill. Plus, with single-stream recycling, all your recyclables can now go into one container — no more sorting of materials.

We look forward to helping your community be as clean — and green — as possible throughout 2019 and beyond.

Collection Times
Your collection day will not change in 2019. All items must be placed at the curb no later than 6 a.m. on the day of collection. After collection, any carts used for trash or recycling should be removed no later than the evening of your collection day.

Regular Curbside Collection

Waste Management is excited to continue trash and recycling services in your community in 2019. Residents will receive weekly curbside recycling collection. Please reference the schedule included in this program. Garbage should be properly secured in containers or plastic bags, weighing 50 pounds or less. Place garbage at curbside, in one area, and do not exceed 15 bags/pounds. The materials accepted through this program include:

- Automotive Products
- Garden Chemicals
- Paint Products
- Household Cleaners
- Electronics

The materials accepted through this program include:

- Automotive Products
  - Antifreeze, batteries, brake fluid, motor oil and filters, fuel, and more
- Garden Chemicals
  - Fertilizers, insect sprays, herbicides, pesticides, and weed killers
- Paint Products
  - Paint, caulk, glue, stars, stripper, thinner, and wood preservative
- Household Cleaners
  - Antimott, Heavy-Duty cleaner, rust remover, tile/shower cleaner, upholstery cleaner, and more
- Electronics
  - Computer, monitor, keyboards, MP3 players, televisions, DVD/CD players, tape players, VCR, cell phones, desk top printers, fax machines, and microwaves.

Recycling Will Be Collected Every-Other-Week. Place only the acceptable recyclables in recycling bin or cart.

Do you have old electronics in your home? Used motor oil? Old cans of paint? Used batteries?

To dispose of household hazardous waste and schedule a collection at your home, contact us in one of these three ways:

- Go to WMATYOURDOOR.COM
- Call 1-800-449-7587 - We’re available 8:00 a.m. - 8:00 p.m. EST M-F.
- Email ATYOURDOOR@WM.COM

Waste Management offers a convenient service for residents to properly dispose and recycle household hazardous waste — safely, easily, and responsibly. These items may include paints, household cleaners, compact fluorescent lamps (CFL), automotive products, garden chemicals, batteries, electronics, and more.

The materials accepted through this program include:

- Automotive Products
- Garden Chemicals
- Paint, caulk, glue, stars, stripper, thinner, and wood preservative
- Household Cleaners
- Electronics

We do not collect ammunition, medicine/medical waste, sharps, explosives, asbestos, tires, or any materials in unbaked or leaking containers. For Program details, contact 1-800-449-7587.

Great things happen when residents use Recycle Often, Recycle Right® program. By recycling everyday items like those shown below, raw materials, time, energy and money are saved. Plus the recycled materials become new products — if you recycle an aluminum can today, it could be back on the shelf as a new one in 60 days — and the cycle continues. Recycling will be collected every-other-week. Place only the acceptable recyclables shown below together in your recycling bin or cart — no sorting needed.

- Containers that held food should be rinsed free of food debris and liquid.
- Do not bag your recyclables — empty recycling directly into your bin or cart.

Acceptable materials for curbside recycling include:

- Plastic Bottles, Jars & Jugs (to remove containers labeled #1 and #2)
- Paper
- Flattened Cardboard & Paperboard
- Food & Beverage Cans

Special Collections

We do not collect ammunition, medicine/medical waste, sharps, explosives, asbestos, tires, or any materials in unbaked or leaking containers. For Program details, contact 1-800-449-7587.

Always recycle:

- Plastic Bottles, Jars & Jugs
- Paper
- Food & Beverage Cans
- Flattened Cardboard & Paperboard

Do NOT include in your mixed recycling cart:

- NO Food Waste (Compost instead!)
- NO Plastic Bottles & Jars (Visit plasticfilmrecycling.org)
- NO Foam Cups & Containers (Check Earth911.org for options)
- NO Needles (Keep medical waste out of recycling. Place in safe disposal containers like Waste Management’s NeedleSafe Tracker® box.)
- NO Bagged Recyclables
