Bulk Trash Collection:

Most often, normal trash service can take care of what you need to throw away. When it can't, Waste Management offers safe and efficient solutions for disposing of those bulk (multiple) or bulky (large) items.

Items we can help you dispose of with a large trash pickup include:

- Appliances
- Carpet
- Furniture
- Mattresses
- Other items that are too large or numerous to fit in your bin

In some cases, you may need to remove doors or certain parts of your bulk or bulky items before you take them to the curb.

Scheduling bulk or bulky item removals for your home or business is easy. Simply request a pickup online (www.wm.com) or call our customer support team at
