Northbound Lane of Glenfield Road in Aleppo Closed at Site of Collapsed Wall

PITTSBURGH – The Department of Public Works announced today that the northbound lane of Glenfield Road is closed at the site of a collapsed retaining wall on the 500 block in Aleppo Township. Traffic is being controlled using alternating traffic signals, and drivers are urged to use caution in the area.

There is currently no timetable for when the collapsed wall will be repaired and the road completely reopened. Public Works needs to determine what remediation will be required to ensure that the road is safe for vehicles. When a timetable has been determined, that information will be provided to the public via a [press release](#), [Facebook](#), [Twitter](#), and [Allegheny Alerts](#).
